

THE TWO-MINUTE DRILL:

Lessons for Rapid Organizational Improvement from America's Greatest Game

Clinton O. Longenecker • Greg R. Papp • Timothy C. Stansfield

America's Leaders on Rapid Organizational Improvement

**Do you need improvement now?
Do you like to win?
You need to run a TMD!!**

*America's leaders on rapid organizational improvement share their research findings on over 1,000 organizational change initiatives to equip leaders to make real and rapid performance improvement. Using the game plan outlined in **The Two-Minute Drill**, leaders can apply the same disciplined practices that work so well in football to win in today's fast-paced organizational improvement game.*

The Two-Minute Drill is a refreshing, easy-to-understand and tested business mindset that has been used by hundreds of organizations to:

- Accelerate sales growth
- Implement a lean manufacturing initiative
- Ensure six sigma delivers bottom line results
- Speed up a cost reduction program
- Roll out an improved customer relations process
- Implement all types of Rapid Organizational Improvement
- Breathe life into a stale change process

Filled with classic football contests and illustrative case studies and tools, **The Two-Minute Drill** shows business leaders how to assume the role of quarterback, define winning, create a sense of urgency, get the right players on the field, create game-winning improvement play packages, and reveals how to measure the progress of each play in order to accelerate the game and score. The Two-Minute Drill also reveals how to make improvement stick and conduct a post-game analysis to improve performance the next time you need real and rapid performance improvement.

Ask yourself this question: **“Are you ready to get in the rapid improvement game and play to win?”** Business leaders who are truly serious about real improvement use **The Two-Minute Drill**.
